

NORTH CENTRAL VILLAGE SENIOR APARTMENT HOMES – SUCCESS!

Even though move-ins aren't anticipated until June, that didn't stop the nearly 200 people that showed up today to fill out applications to live at North Central Village Senior Apartment Homes in Columbus, Ohio.

Director of Compliance, **Darlene Carriker**, Regional Marketing & Leasing Manager, **Jen Skvarch**, and Regional Vice President of Property Management, **Joe Largey**, welcomed an overwhelming crowd of potential residents this morning at an area hotel conference room. **In the first three hours, the team had taken 150 applications!**

"Response was incredible," said Joe. "We were anticipating a large crowd, but this just blew us away! We have two apps for each apartment at this point ... and we'll be here till 5pm this evening and all day tomorrow."

"We sent letters out ahead of time inviting people in and telling them what to bring with them, and we were really happy with the results. Everyone brought the information they needed to fill out an application, and some even brought copies of documents so we didn't have to make them," said Jen.

The property will have 74 two-bedroom cottage-style single-story apartment homes for seniors 55 and over and offers:

- Fully-equipped kitchen with stove, dishwasher, refrigerator and disposal
- Washer & dryer connections
- Extra storage and large closets
- Window coverings
- Attached garage with remote opener (*some units)
- Clubhouse with kitchenette
- Community room with cathedral ceiling and fireplace
- Resident computer center with internet access
- Laundry facility
- Planned activities and social events

Construction Project Manager, **Mike Ekis**, said of the development, "North Central Village is surely a catalyst for all of the new and exciting things that will be happening in that area of Columbus. Plus it's a centerpiece in the overall master plan that MiraCit Development Corporation has put together."
